Matt

Here's the Pebble FEIS coordination process and schedule for tomorrow's meeting.

- We talked with OFA (Cindy B) about the process and schedule- and that input and timeline is reflected in the xls.
- We also briefed this to the RA today, so he has also been looped into the timeline and process.

In terms of sharing more broadly- Andrew let Matt and I know if you have any reservations on sending this out before tomorrow's meeting.

Thanks!
